

COVID-19 Vaccine Information for Frederick County

Live or work in Frederick County?

Two ways to get vaccinated:

1

Frederick County Health Department

Complete the Vaccine Interest Form in the blue box at:

frederickcountymd.gov/covidvaccine

This QR code will take you to the site, if you have a smart phone or tablet.

- We will contact you when we can offer you an appointment.
- No access to the internet, call **301--600-7900** for registration assistance.
- Vaccines are free of charge. No insurance is required.
- *Vaccine is limited! It may take a few weeks to get an appointment!*

2

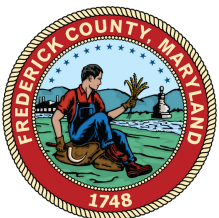

To get vaccinated at a pharmacy or Mass Vaccination Clinic, go to:

covidvax.maryland.gov

- Search by zip code.
- More are being added each week, so check back!
- Text **MDReady** to **898-211** for Maryland updates.
