Eddie Wrecks His Car

Eddie and Kate had made a date for Friday night. Kate asked Eddie to meet her downtown at six o'clock so they could watch a movie.

But on Friday, something went wrong at work. Eddie had to stay late. When he looked at his watch, it was five minutes to six! He jumped in his car and raced downtown.

Eddie saw a lot of red lights on the downtown streets. He knew he could call Kate on his cell phone, but he didn't want to get into a fight. He was late a lot, and Kate hated it. Eddie knew she would get mad.

When the light turned green, Eddie hit the gas. He didn't see the patch
