What's Been Happening?

Meet your new Development Coordinator

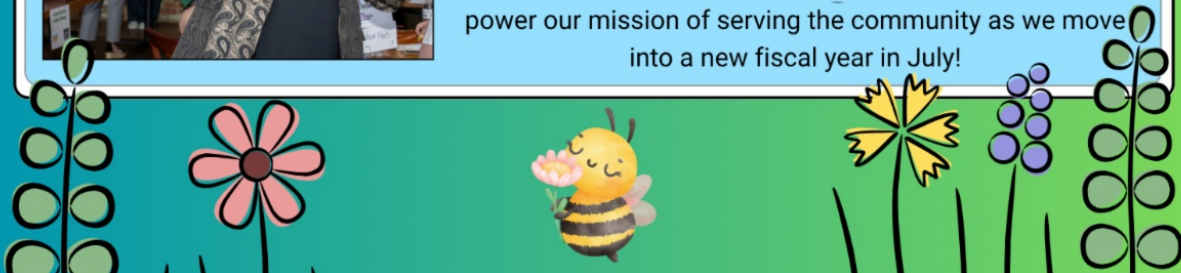

Hi! I'm Andrew West, and I started as a volunteer tutor with LCFC in Spring 2024. I have since become a Workplace Instructor and have now been working full time as Development Coordinator for about two months. My background is in Media and Communication, and I worked as a Recruiter and Operations professional in the staffing industry for eight years prior to joining the Literacy Council staff. I've been in Frederick for almost two years now and am so excited to help the Literacy Council continue to grow and have an impact on the Greater Frederick community!

Scrabble Mania 2025

If you were at our Scrabble Mania event in early May, then you know how much of a success it was this year. We all had a blast celebrating LCFC's community impact at Steinhardt Brewing Company. Not only was it a great time, but because of all of our wonderful sponsors, community partner donors, and game participants, we were able to raise a substantial amount of money which will help power our mission of serving the community as we move into a new fiscal year in July!

United Way
of Frederick County

Unity Campaign

A special thank you to everyone who donated to the Literacy Council of Frederick County as part of this year's Unity Campaign. For those who don't know, United Way of Frederick County matches a percentage of all of our Unity Campaign donations. We're thrilled to announce that we received contributions from 60 different donors this year! What a great way to ensure your donation has even more impact. We will do it all again early next year, so keep an eye out for opportunities to participate in 2026!

What's happening next?

You'll be able to hear about some exciting new updates from us on local radio station, Key 103, very soon. Andrew will be interviewed as part of their Issues Today series to talk about the mission of LCFC and how we're working to expand our community impact in the Greater Frederick area. Stay tuned into Key 103 for the next couple of weeks to hear it!

September is National Literacy Month!!!

National
Literacy
Month

We're gearing up for a busy September this year as we prepare for National Literacy Month and Adult Education and Family Literacy Week (9/15-9/21). Sponsored by the National Coalition for Literacy, AEFL Week raises public awareness about the need for and value of adult education and family literacy. You can expect to see us out in the community raising awareness about our mission, and we're also in the early planning stages for a 5K fundraising event as part of the festivities. If you'd like to be involved, email Andrew at awest@frederickliteracy.org. Stay on our social media pages for more details!
